To The Editor:

I would like to take this opportunity to thank all of my fans for the kind letters that they sent me last year. The B.T.E.T. and I appreciate them very much. My favorite ones came from the little kids. I thought they were so cute, as they shared their very strange sightings with me just like the adult fans.

I only got one bad letter, but I just filed it in the trash with a smile. I hope that you all enjoyed reading my report on the Hockomock Swamp, which was on the front page of this

newspaper on April 11. I have received compliments about it from many people. But I've not been able to receive any letters about it in my P.O. box because my name and address were omitted from the report. So, for all of you fans who have any information to offer, or questions to ask, please send all of your letters to: B.T.E.T., P.O. Box 537, Bridgewater, MA 02324.

Please include a S.A.S.E. Thank you again.
