# RETRO SOUTH NEWSLINE

ON MARCH 1, JOSEPH M. DeANDRADE FINALLY ENDED THE B.T.E.T. (Bridgewater Triangle Expedition Team) AND FORMED HIS NEW ORGANIZATION, THE P.I.O. (Paranormal Investigation Organization), with a new membership. The organization consists of two kinds of members: Expedition Members and Associate Members. All of the members receive old and new information about the "Bridgewater Triangle" and the Hockomock Swamp. Expedition Members are expected to go on most of the expeditions and patrols in their uniform with the new P.I.O. patch sewn on it. They are also expected to attend most of the P.I.O. meetings (uniform optional). Associate members are not expected to go on any expeditions with the expedition team and Mr. DeAndrade, but may go on a few patrols and attend some meetings if they wish. If you or anyone you know has seen or heard of anything "Paranormal" in the Bridgewater Triangle area, recently or in the past, please send the information (plus photos, slides, etc.) to: P.I.O., P.O. Box 537, Bridgewater, Mass. If you would like to receive free information from the group, then send a Self-Addressed, Stamped Envelope.
